**STATEMENT**

Based on my personal knowledge as Applicant's attorney, a complete response to a final Office Action mailed August 10, 2006, was timely filed on February 12, 2007. The response included remarks and arguments traversing the rejection of the claims of the application, as well as a summary of an interview with the examiner, which took place on February 8, 2007. A Notice of Appeal was also filed concurrently with the response.

On February 22, 2007, an Advisory Action was mailed indicating that the response did not place this application in condition for allowance.

A Pre-Appeal Brief Request for Review was forwarded to the examiner on June 6, 2007. The request was denied, as the request was not filed concurrently with the Notice of Appeal.

On September 12, 2007, an Appeal Brief was timely filed by applicants' attorney.

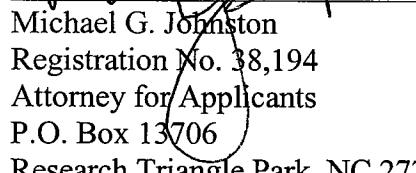

Accordingly, Applicant respectfully requests that the holding of abandonment of the present application be withdrawn. Applicant further requests consideration of the claims of the application in view of the Appeal Brief.

Although the Applicants' believe that no fees are due for this submission, the Commissioner is hereby authorized to debit any extra amount owed to deposit account no. 13-4365.
